the European Union

A project implemented by  
BDPA in association with EWC / MDF / CEU

# Steps in Grant Schema

This project is funded by the European Union

A project implemented by BDPA in association with EWC / MDF / CEU

## Verification of eligibility

- The eligibility verification will only be performed for the proposals that have been provisionally selected according to their score and within available financial envelope (Guidelines, 2.3 Step 4).
- Guidelines set the deadline for submission of proof (section 2.4)

This project is funded by  
the European Union

A project implemented by  
BDPA in association with EWC / MDF / CEU

# Presentation of Proof (Art. 6.4.8.5)

- Is the Declaration by the applicant in conformity (sect. VI of application form)?
  - Any missing supporting document or any incoherence betw. the Declaration and supporting document may/will lead to the automatic rejection on that sole basis.
  - Supporting documents needed are listed in section 2.4 of the CfP Guidelines.

This project is funded by  
the European Union

A project implemented by  
BDPA in association with EWC / MDF / CEU

## Presentation of Proof (Art. 6.4.8.5)

- Are the applicant, the partners and proposed actions eligible?

The action will be verified according to the criteria set out in sections of 2.1.1, 2.1.2 and 2.1.3 of the CfP Guidelines.

This project is funded by  
the European Union

A project implemented by  
BDPA in association with EWC / MDF / CEU

## Verification of eligibility

- If necessary, any rejected proposal will be replaced by the next best placed proposal in the reserve list.
- The proposal needs to fall within the available financial envelope.
- The proposal will be examined for eligibility.

This project is funded by
